

Appendix C

Likelihood that Transit Options will Occur by Demographic Group

What is the likelihood that these transit options will occur given expected feasibility constraints (costs of right-of-way, cost of equipment, funding availability, etc.)?

- 1 = Not at all likely***
- 2 = Slight***
- 3 = Moderate***
- 4 = Probable***
- 5 = Highly Probable***

Transit Options

- A. Traditional Fixed Service Transit with enhanced Express Commuter Bus Service
- B. Bus Rapid Transit
- C. Streetcars/Light Rail
- D. Monorail
- E. Commuter Rail
